CORPORATE EDITION

ADMIRAL Check Writing System

Initializing ..

www.solidmac.com.ph

Being a full suite, it offers a wide range of elements critical to financial aspects, namely:

- Check Format Designer**
* Newly improved with date format selector and parameterized fields
- Checkbook Registration and Monitoring**
* New feature (exclusive only to Corporate Edition)
- Masterlist**
 - Bank Accounts
 - Payees
 - Signatories
 - Currencies
 - Users
- Single or Batch Printing**
 - Direct Encode (thru the system)
 - File Import (in MS Excel format)
- Debit and Credit Monitoring**
- Report Generation**
 - Bank Accounts List
 - Payees List
 - Signatories List
 - Check Transactions List
- Security Login**

BENEFITS AND ADVANTAGES

- Streamlines payment process and reduces administrative costs (no hardware to maintain).
- Automates check processing thus reduces errors that are typical in manual check disbursements or handling.
- Efficient reconciliation and closure of accounts payables through a comprehensive reporting facility to ensure all items are well-accounted for
- Highly optional accounting module for debit and credit monitoring
- Checkbook registration and check monitoring to prevent unauthorized uploading of details and printing
- Create unlimited check formats with custom alignments and parameterized fields through the built-in check format designer
- User-friendly user interface for easy navigation and quick learning of the system.
- Every license is perpetually exclusive and can be activated online for legal use.
- Fully compliant with the check format requirements of the Philippine Clearing House Corporation (PCHC) and Bangko Sentral ng Pilipinas (BSP).
